

Spreadsheet Design

By Mahinn Malik

Plan 1

All my worksheets are going to be connected through a main menu. In the main menu and the ticket-holder details will have the name of the football team as the title. I will also include pictures to make it look appealing. I will include descriptions on every page to make it clear what the page is about.

London City FC

Description of worksheet for the management team.

Plan 2

My plan 2 will have a background colour for the menu and some pictures, to make it look elegant. At the top of the page of summary of information and season ticket type I will have the name of the football team.
