HOW TO USE

Programs

- you can save Excel file to your own computer
- you need Microsoft Office 2003 or higher (Excel)

Customising

- you can choose how often you receive income or pay expenses using the dropdown list in the frequency column
- you can customise the labels in the spreadsheet to better suit your needs by renaming existing fields

NOTE: Altering the budget planner (eg. adding rows/columns) may result in incorrect outputs

Feedback

We welcome all feedback. Send feedback via the website form (www.moneysmart.gov.au/feedback) or use the feedback options on the Budget Planner webpage

This original version of this budget planner is published on www.moneysmart.gov.au and is subject to copyright.
